**C**elebrate the Valley's nonprofits! They serve us all in one way or another. Staff members, boards and volunteers. You're the makers of happiness for a lot of people.

There are more than 100 nonprofits at work in the Valley – all here because there are needs to be met. Think of the issues in any urban city – chances are we have the same needs here ... just in microcosm. Nonprofits fill community needs that government and private business can't. The gaps they fill keep us strong as a valley, and they do it with a passion that makes each one of our nonprofits exceptional.

Speaking of exceptional . . . celebrate donors! Philanthropy loosely translated from the Greek means "love of people."

Valley nonprofits go about their incredible work because of a group of extraordinary donors. CFGV's greater community is everyone who lives, works and plays in this glorious high mountain valley. It's a community that embraces our donors. Donors internalize a sense of caring for one another and giving back that is the essence of community. We know them, care about them and love them. Your Community Foundation is "Here for Good," thanks to you.

### Mission:

The Community Foundation of the Gunnison Valley strengthens and enriches the community through engaged philanthropy, thoughtful grantmaking, strategic education, and collaborative leadership.

## Inspiring learning for a lifetime

The Patti Bouchard Bippus Fund boosts local education

**P**atti was the first principal of the Crested Butte Community School when kindergarten through high school moved into the brand new building in 1997. She grew up in the Gunnison Valley and, though her career in education took her to Denver and Alaska, her heart was always here. While Patti has physically left this world, her legacy lives on for eternity, benefitting educational programs through Community Grants. Should there be a special education initiative in the Valley, Patti may very well lead that charge!

Patti Bippus

Anyone can start a fund with the Foundation. Whether or not it's in memory of a loved one, there are infinite possibilities with fund type, designation, and more. Contact the office at 970.641.8837 for more information.

## Planting a Seed for the Future

Innovative Scholarship Opens Doors

**T**he Maxwell MacAllister Scholarship is awarded to Gunnison High School seniors who are the first in their family to pursue education after high school. Eligible students must show academic merit and involvement in the community outside of school-related activities.

Begun by Kathy and Jim MacAllister, this scholarship honors Jim's grandfather who was the first in his family to graduate from college. Maxwell's career as a teacher, coach and principal spanned forty years in public schools throughout rural Iowa from 1926 to 1966.

**"In addition to my grandfather, my Dad was a teacher, and my father-in-law was a teacher, so the idea of improving educational opportunities for everyone is a tribute to the work they did in their lifetimes."**

# The Math Fairy Superhero

## 18th Annual Dan Tredway Memorial Excellence in Teaching Award

The Excellence in Teaching award calls for a teacher who is “dedicated to students, committed to the community and who creates a classroom atmosphere which promotes an excitement about learning.”

“It’s not just about math. If you’re having fun, so are the kids - and they’re learning. You’re helping your students grow into kind, compassionate adults.” - Maren

Maren uses creativity, innovation and fun (like superhero capes) to capture students’ attention.

# Reading: A spark for success

## The gift of books reaches Valley youngsters

Early literacy can be make or break. Without it, kiddos fall behind their peers before they ever start kindergarten. Your support means CFGV sends one book per month to each child enrolled in Dolly Parton’s Imagination Library. The requirements for enrollment? You must be under age 5 and live in Gunnison or Hinsdale Counties. With over 300 local youth receiving books each month, there’s plenty of room to grow enrollment. The more kids loving books, the better. Thanks for caring!

# Rockin’ the I Bar Ranch

## Asleep at the Wheel

You just can’t get enough! Once again, The Wheel rocked the I Bar with over 600 guests in attendance. Sponsors, ticket holders and volunteers made it a night to remember. With Les Choy and Gypsy Jazz Social Club opening, the dance floor was rockin’ all night long.

# Skills Behind the Wheel

## Defensive Driving Scholarship keeps the rubber side down

Four teens with learner’s permits were awarded scholarships to the one-day driving skills course at MasterDrive in Colorado Springs. Skid correction. Crisis braking. Crash avoidance. Kudos to these four and the donors who make it possible. Our roads are a safer place to drive!

“MasterDrive gave me a better understanding of how to think defensively while driving. I improved my braking skills and learned to recover from a skid. I can confidently say I’m prepared for any situation Colorado weather wants to throw at me!”  
– Lily Pierson

“I became more comfortable with quick turning and fast braking. I also learned what to do in case of a skid.”

## Scholarships launch students into the world

From the Spann family ranch to MIT, Catherine Washburn hopes to incorporate aerospace engineering into the world of agriculture. In 2018, Catherine was awarded both the Gunnison Kiwanis Club Scholarship and a Gunnison Memorial Scholarship.

Catherine Washburn

“I’ve declared early sophomore standing, become active in student government, joined campus Greek life and begun work as an undergraduate lab assistant. Your scholarships helped make it all possible! Instead of stressing about paying tuition, I’m exploring and learning as much as possible!”

– Catherine Washburn

Josie Bifano decided she would become a veterinarian when she was in 6th grade. A Gunnison Memorial Scholarship is helping Josie pursue this dream in northern Colorado.

Josie Bifano

“Nine years in 4-H and four years in Future Farmers of America have given me plenty of hands-on animal experience and leadership training through multiple projects.”

– Josie Bifano

ROCKIN' RITA'S BOOK BUS

The Book Bus has added Book Nooks, giving more people access to reading all year long!

Community is a place that we hold in common ... a place where we take initiative to make changes and share with each other ... a place where each citizen has duties and functions. And finally, a community is a place where people are comfortable to talk intimately, to befriend, to support, to grieve and to celebrate together.

It doesn't really matter where you were born or where you came from. We all fall down (and get back up) together when we're learning how to ski!

# Ways to give...today, tomorrow, and forever

Our donors make all the difference. CFGV is  
“Here for Good” because you’re here with us!

Today’s dollars meet today’s needs. This happens through Community Grants, Imagination Library and Scholarships. Donor advised funds, designated funds, and endowed funds are examples of dollars stewarded by CFGV for “many tomorrows”. Grant, replenish, grow...a motto that allows donor advisors, in particular, to grow a fund

while making grants each year. Forever opens a world of possibility. You can create a charitable bequest in your will. Or name the Foundation as a beneficiary of your life insurance policy. Use your IRA roll-over to give to a fund that grows and grants. With CFGV, you can be Here for Good long after you’re gone.

# TRANSPARENCY

## We've got your back

100% giving from CFGV Board, Advisory Council and Staff

We practice what we preach! Each of these people gives an annual gift that's significant to them. That could be \$50. It could be \$15,000. No matter the amount, it's the commitment that counts.
