

CELEBRATING PHILANTHROPY IN OUR VALLEY

Jacob With
2019 Board
President

Pam Montgomery
Executive
Director

We celebrate the Valley's nonprofits and all of the good work they do! It's safe to say that all of us have been touched by the positive impact they make each and every day. This place we love is made special by the compassion and dedication of their staff members, boards and volunteers.

There are more than 100 nonprofits at work in the Valley, each with its own unique mission and character serving the entire range of needs of our community. Nonprofits fill the gaps between what gov-

ernment and private business offer and what is necessary. The exceptional services nonprofits provide enable our entire community to become more resilient and equitable.

Speaking of exceptional . . . we also celebrate donors! Philanthropists by definition seek to promote the welfare of others, and there is no shortage of those who seek to make this place extra special through their generous support of our nonprofits.

Here at the Community Foundation, we

believe everyone can be a philanthropist. Whether it is through financial support or the giving of time and talent, nonprofits rely on the generosity of the philanthropists who truly care and choose to actively give back to the communities they love. The kindness and altruism donors demonstrate throughout our Valley inspires us all to care for one another and to give back when and how we can. Our donors drive us to do better, be better, and make our world better. Thanks to you, the Community Foundation is "Here for Good" . . . today,

Mission:

The Community Foundation of the Gunnison Valley strengthens and enriches the community through engaged philanthropy, thoughtful grantmaking, strategic education and collaborative leadership.

HERE FOR GOOD – INTEGRITY

Providing help and healing

CB State of Mind Fund addresses mental health

After a rash of suicides shocked our small mountain paradise several years ago, a group of community members recognized the critical need of increased support for mental health services and banded together to serve and heal our community. CB State of Mind, a fiscal sponsorship of CFGV, works to connect people to resources, education and free counseling scholarships to improve mental wellness, eliminate stigma and lower the rate of suicide in the Gunnison Valley.

“I cannot express the level of gratitude I have towards the CB State of Mind organization for the opportunity granted to me to receive the mental health support I so badly needed, and until now, I could not receive.”

– Crested Butte Community Member

Exciting recreation opportunities for all

Shady Island River Park project underway

Shady Island Conceptual Map Courtesy of Sprout Studio

Gunnison County purchased a parcel of land just north of the City of Gunnison with the intent of developing a new recreational area and boat launch near the North Bridge. The new Shady Island River Park will include parking, tent camping sites, picnic tables and shelters, restrooms, a trail loop system, recreation paths, fishing access, boat staging area, access for non-boaters, outdoor classrooms and gathering areas – it'll have something for everyone!

The Gunnison County Shady Island River Park Project Fund, established in 2019, provides a vehicle for the public to provide charitable support for the project, and CFGV is pleased to partner with Gunnison County on this very exciting endeavor.

Good relationships and high-fives

19th Annual Dan Tredway Memorial Excellence in Teaching Award

The Dan Tredway Memorial Excellence in Teaching award calls for a teacher who is “dedicated to students, committed to the community, and who creates a classroom atmosphere which promotes an excitement about learning.”

Gunnison Middle School social studies teacher Andy Dunda believes positive relationships – and giving out plenty of high-fives – are the key to being a successful educator.

Andy uses high-fives and air guitar “concerts” to connect with students

Relationships are key – your students need to feel respected, encouraged and safe.

Boogieing for a great cause

Asleep at the Wheel returns

The one and only Asleep at the Wheel returned to the I Bar for a rockin’ evening with guests Les Choy and the Gypsy Jazz Social Club. Nearly 600 people turned out to cut loose and choo choo ch-boogie on the dance floor and the lawn, and they boogied all night long! Thanks to our sponsors, ticket holders and volunteers for making it another evening to remember.

Making the road safe for everyone

Defensive Driving Scholarship gives kids essential skills

The 2019 Defensive Driving Scholarship awards afforded a record eight local kiddos the chance to attend a full day driving camp with MasterDrive in Colorado Springs. After learning important skills like crash avoidance, dynamic awareness, crisis braking techniques and skid control, the roads will be safer...for everyone!

This whole course has helped me feel more comfortable behind the wheel and become a more confident driver. – Ashlynd Harris

I learned many new skills to help me grow as a safe and responsible driver (plus drifting was pretty fun). – Iris Houck

Setting youngsters up for a lifetime of success

Imagination Library gives the gift of reading

Countless studies show that reading in early childhood has a lasting impact on a kiddo’s life. Reading helps with increased vocabulary, curiosity and memory – and provides healthy together – time for children and parents. The Community Foundation of the Gunnison Valley is a proud partner of Dolly Parton’s Imagination Library. Since 1995, the program has sent over 138 MILLION books to kids in four countries! The requirements for local enrollment? Kids must be under age 5 and live in Gunnison or Hinsdale Counties. Over 300 local youth are currently receiving books through the Imagination Library (at no cost to their families). You can help spread the word to get more young kiddos involved! Many thanks to the generous donors who make early childhood literacy for our local kids possible.

Advancing education

Scholarships enable local youth to take education to the next level

With a love of reading, historical research and writing, Clara Schulte hopes to use her passion to educate, inform and advocate. In 2019, Clara was awarded the Gunnison Kiwanis Club Scholarship to make her dreams come true.

“Ready or not – CU Boulder here I come!”

Clara Schulte

Katherine Ricks plans to do a lot while at college – major in biomedical engineering, work as an EMT, and enlist in the National Guard. A Gunnison Memorial Scholarship is helping Katherine accomplish all of this at a private university in California.

“Your scholarship has made me positive...I will be able to go to school debt free!”

Katherine Ricks

While Alex isn’t totally sure what he wants to do for his career, he knows that he definitely wants to help people in his community. Being awarded a Gunnison Memorial Scholarship will enable Alex to learn, grow and give back.

“No matter what I do in life, I want to be there to help the community.”

Alexander Dumas

2020 and Beyond

CFGV typically reports on the prior year at the height of summer. While this year's timing has stayed the same, so much has changed since 2019. Your support of CFGV and the community has become more important than ever before.

COVID-19 has impacted everyone, and the Gunnison Valley is no exception. With the economy shut down and a mystery illness circulating, the first half of 2020 has presented numerous challenges, and there are still many unknowns.

One of your Community Foundation's roles is to respond in a community crisis. Created on March 19, 2020, the Gunnison Valley COVID-19 Recovery Fund was established to assist non-profits and appropriate public entities in meeting extraordinary needs. Priority has been given to those organizations meeting health and safety

needs of the community's most vulnerable populations.

As of mid-June, over \$280,000 has been given by nearly 200 individuals, families, businesses, and other organizations, and over \$155,000 has been granted to 17 organizations through six rounds of funding. Application deadlines are every two weeks, and a five-person community review committee makes recommendations for funding.

Your generosity during these extraordinary times is making it possible for those most affected by COVID-19 to access healthy food, mental health services, relief for rent and utility payments and more. As long as gifts keep coming in, CFGV will keep granting out to organizations serving those most in need.

Change is the only constant

After 17 years at the helm of the Community Foundation of the Gunnison Valley, Executive Director Pam Montgomery is retiring. Please join the Board of Directors, Advisory Council, staff, volunteers and donors of CFGV in thanking Pam for so many years of exemplary leadership and extraordinary service. CFGV would not be the strong and vibrant organization we are today without her dedication to the Foundation, and the Valley as a whole. We wish her all the best as she spends more time in her garden and with her family. Thank you, Pam!

As we say farewell to Pam Montgomery, we also welcome Lauren Kugler as the new Executive Director of the Community Foundation. Lauren is a native of Crested Butte and has been working for the Foundation for the past seven years. She's thrilled to continue building on the many accomplishments CFGV achieved during Pam's tenure and to lead the Foundation into the next chapter.

YOU'RE HERE FOR GOOD

Above all, the Foundation honors donor intent. In carrying out that intent, four essential values guide our actions and services to our community: Integrity, Inclusivity, Stewardship and Transparency.

Excellence. Accountability. Impact.™

CFGV envisions a dynamic culture of giving in which the full range of human needs is met by the community it serves. You can volunteer in the community, donate to the Foundation and other favorite causes, offer a helping hand to a friend or neighbor . . . there are so many ways to take part in our thriving future. You're Here for Good with CFGV.
