COMMUNITY FOUNDATION OF THE GUNNISON VALLEY DONOR ADVISED GRANT RECOMMENDATION GUIDELINES

(These Guidelines do not represent the entirety of the Donor Advised Fund Guidelines document; only the items related to grant recommendation and processing are included. To see the full Guidelines document, contact the Foundation.)

Charitable Organizations

- Grants from a Donor Advised Fund may be made to organizations qualified as tax-exempt under Internal Revenue Code Section 501(c)(3) of 1986 as amended. Each grant must be a minimum of \$100 and specified in \$50 increments. Grants may not be made to supporting organizations.

Grant Recommendation Limitations

- Grants from a Donor Advised Fund may not be used for any pre-existing pledge or to provide private benefit to donors, advisors, family members or the businesses they control. No tangible benefit, goods or services were or will be received by any individual or entities connected with the Fund (such as school tuition or scholarships sent directly to individuals or that benefit a family member, dues, membership fees, benefit tickets, dinners, event tickets or goods bought at charitable auctions), nor may grants be used for lobbying, political contributions, or to support political campaign activities. The Fund will not forward any enclosures other than a transmittal letter with the grant check. Under no circumstances may a grant provide a benefit to the donor recommending the distribution, a family member or any entity in which the donor or advisors have 35% of the voting power. Any grants made from the Fund may not be bifurcated; that is, the charitable portion of a grant may not be separated from a non-charitable portion and granted from the Fund.

Grant Check Processes

- Grant checks must be made payable to the recipient organization's legal name, which may be different from the common use name, and the Foundation will mail checks to the organization's official address. Grants will be disbursed directly to the recipient organization. Fund Advisors may not serve as intermediaries.
- If the recommendation is accepted by Foundation, confirmation of the grant award will be mailed to the advisor once the grant has been issued.
