

Six Points Evaluation and Training, Inc.

## **The Six Points Board of Directors seeks a Student Board member to join its dynamic team starting January 2017!**

*Interviews will be held on December 8<sup>th</sup> by appointment only*

### **This is a unique opportunity for a student to:**

- ❖ Build strong resume material
- ❖ Understand the role of a Board and the intricate piece that it plays in running a successful business
- ❖ Have a direct effect on the success of a non-profit organization
- ❖ Represent Western as the student voice, offering an innovative perspective
- ❖ Positively give back to your community

### **Our Ideal Candidate:**

- ❖ Current Junior or Senior at Western.
- ❖ Showcases a personal responsibility to community volunteerism.
- ❖ Has a strong interest in learning more about people with developmental disabilities in our community and how they can be best served.

- ❖ Can commit to regular attendance at monthly meetings held the fourth Tuesday of each month at 5:30 p.m. at Six Points in Gunnison.
- ❖ Has the ability to respectfully express their opinions and ideas during board meetings.
- ❖ Works as a team player and strives to build consensus and support among fellow board members, the Executive Director and the staff.

**ABOUT SIX POINTS:** The mission of Six Points is to provide education, training, assistance and support to all adults with special needs and their families in Gunnison and Hinsdale Counties, in order for these individuals to reach their highest functioning levels and become integrated into our society as independent, productive, contributing citizens. Further, Six Points works as an advocate for these individuals and increases the awareness of all residents concerning the special needs of the disabled in our community.

**About The Board:** *The Board of Directors of Six Points Evaluation and Training is a self-perpetuating, volunteer, working board, which is led by board-elected officers. The board is charged with ultimate fiscal responsibility and fundraising; oversight and future vision of the management of the organization; and, review and adoption of policy for the organization all in support of the mission of Six Points Evaluation and Training.*

**Board Values:**

- ❖ Integrity
- ❖ Fiscal Responsibility
- ❖ Compassion and Respect
- ❖ Equal Opportunities
- ❖ Highest Quality of Services and Care
- ❖ Integration Between Clients & the Community
